Expiration Date: 12/31/01

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: WID LTRU TRAINING CATALOGUE

Under the Job Training Partnership Act, the Capacity Building Unit (CBU) provided staff-development training to California's Private Industry Council's and Service Delivery Areas. With the implementation of the Workforce Investment Act, the CBU name has been changed to the Workforce Investment Division (WID) Local Training Response Unit (LTRU).

Along with our new name, we are introducing a new [LTRU Training Catalogue](#). The new catalogue offers sessions on a variety of WIA-focused topics; and, as before, the LTRU will provide training, free of charge, to California's workforce investment community, their one-stop operators, and/or their partner agencies that host a training session.

The LTRU welcomes inquiries about their new catalogue and/or hosting a training session. For information, please call the LTRU at (916) 657-2146, or visit our Web site at <http://www.edd.ca.gov/wiacom.htm>.
